building

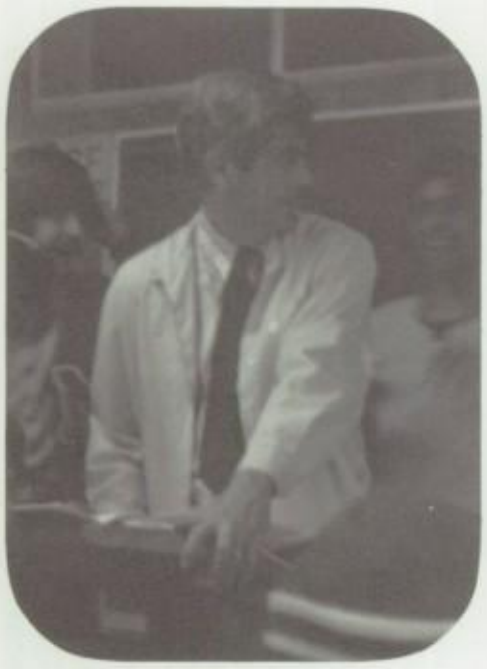
it is here
that we build ourselves
and we build each other.

true, a school builds knowledge -
more facts, more equations, every year -
but more than that,
it builds responsibility
and a lasting maturity
in every individual

it builds an understanding of life
that comes with this growth,
and a new insight
into ourselves
and companions.

painted with memories,
each building block
adds a change,
a new dimension
to your life~

and in the same sense
each individual
is one building block
in the edifice of society-



all peoples bound together
by their personal relationships-

on a foundation of spirit
that is Manderville High School.

Homecoming Is . . .

Homecoming! What is it? Finding a house that will put up with us, getting a trailer, "borrowing" some wood from the new house down the street, riding around in Richie Lowe's truck and almost falling out, trying to build this thing called a "float" for the first time, then finally—the parade, lining up, fixing a fallen tree, your float passes, the bonfire, the blazing fire soaring high as the spirit rises, the Friday pep rallies, then the game—cheering, screaming, crying, the longest touchdown in the world, excitement—then after the dance—memories, love, the presentation of a beautiful court, more dancing, and then it all comes to an end.

The spirit rises as the fire burns higher.

Juniors, Randy Dykes, Richie Lowe and Lauren Reed ride in the winning float car.

Cissy,
The year of 73-74
was very different not
only because we all seemed
to have grown up overnight
but we all grew closer together
with you as a friend it all seemed to
work out fine. Remember Mrs. Hart
what a laugh we had in that class!
Now that we are juniors we must
show our skipper spirit to
the rest of the school and show
them just how really great this
friendship last forever. May
all your goals come true!

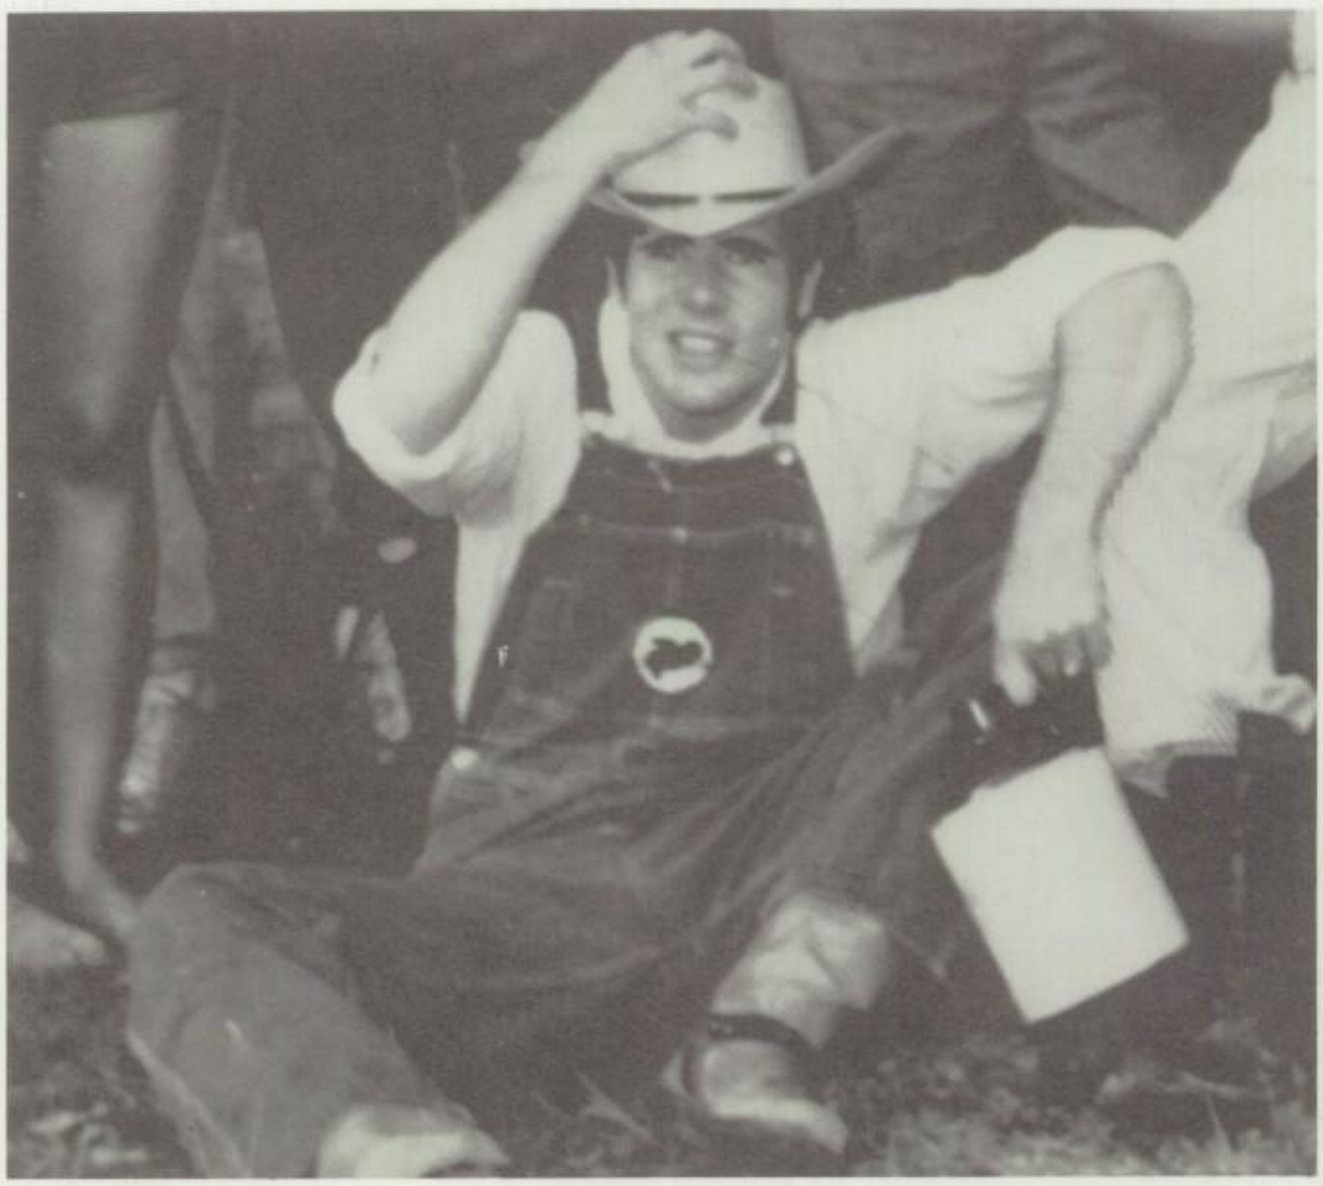
Clay Johnston Leads as Student Council President

Clay Johnston serves as Student Council President for the year 1973-74. It was a very strong council. Each Class elected 3 members as well as a representative for each club. The other officers were as follows: Steve Chauvin, Vice Pres. Adilin Lafette, Treas.; and Linda Haydel, Sec.



Prep Quiz Bowl Team Wins Again

This years prep quiz bowl team performed on TV with all of Mandevill watching them. The members were as follows: Gary Hanes; Ross Shacklette, C capt.; Judith Meyer; Bobby Stanford and James Edmonston, alternate. Mr. Hernandez was their fantastic coach.

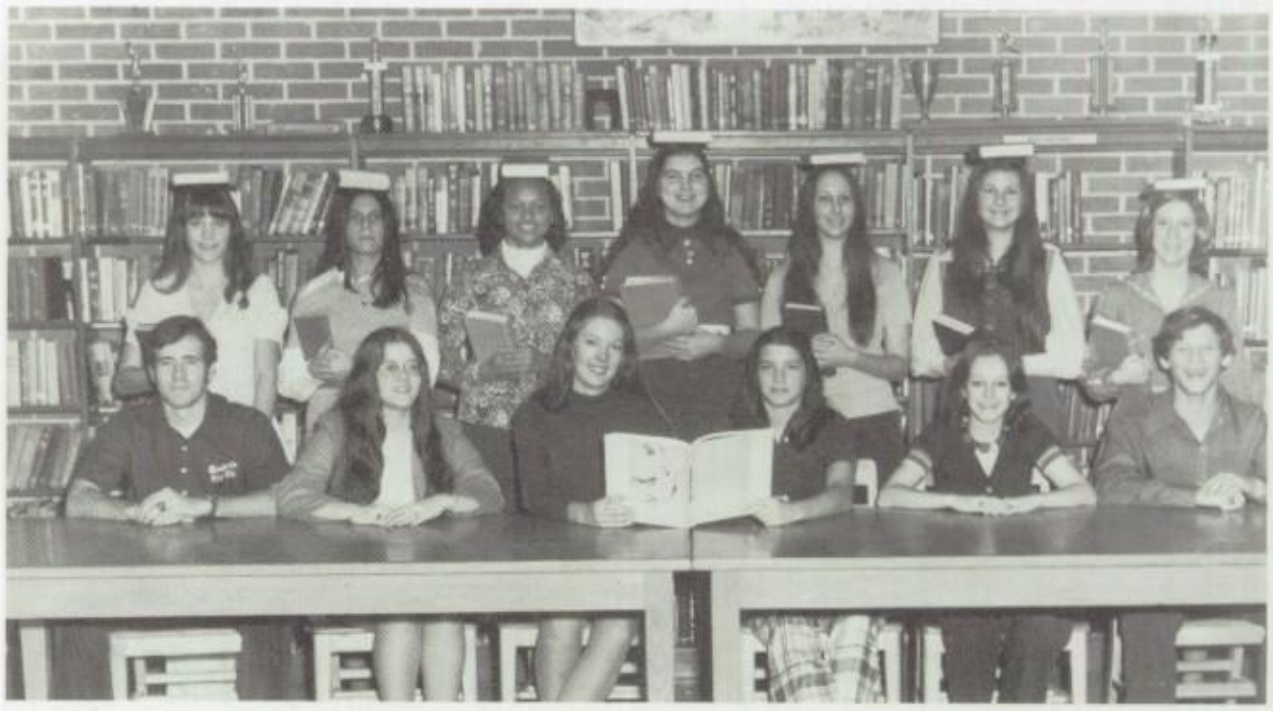
National Honor Society

National Honor Society is an honorary club which is based on four main qualities: Character, Scholarship, Leadership, and Service. Students are chosen on these four characteristics, and to be a member is the highest honor a student can receive. N.H.S. is sponsored by Mrs. Nancy Futral with Ruth Welke as President.



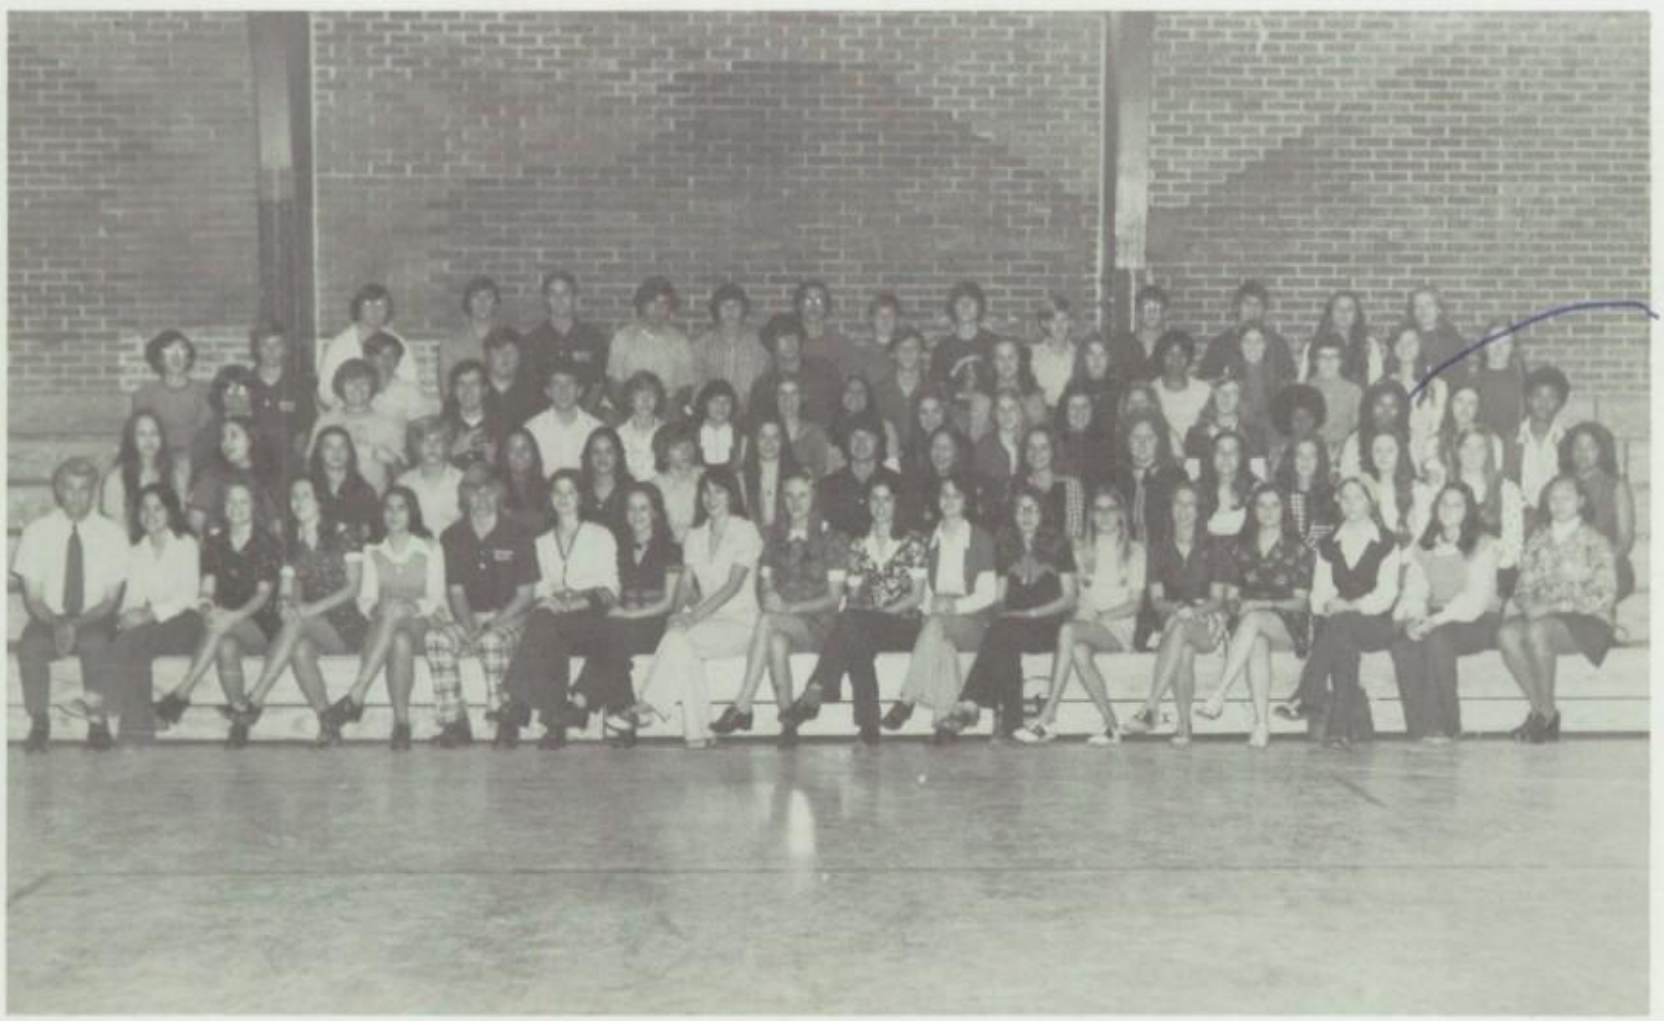
New 1974-75 Members.

And Ability are Found In:

Key Club

The Key Club this year, as in every year, put forth its effects to serve and help the home, school, and community. Through these actions Key Club has well demonstrated its purpose. Some of the jobs done were: Cleaning the school grounds, painting the bleachers at the stadium and keeping the Skipper bus in clean condition. Also they helped with graduation ceremonies. M.H.S. would like to thank the Key Club and David Yarbourough, sponsor, for all the aid and service they devoted.

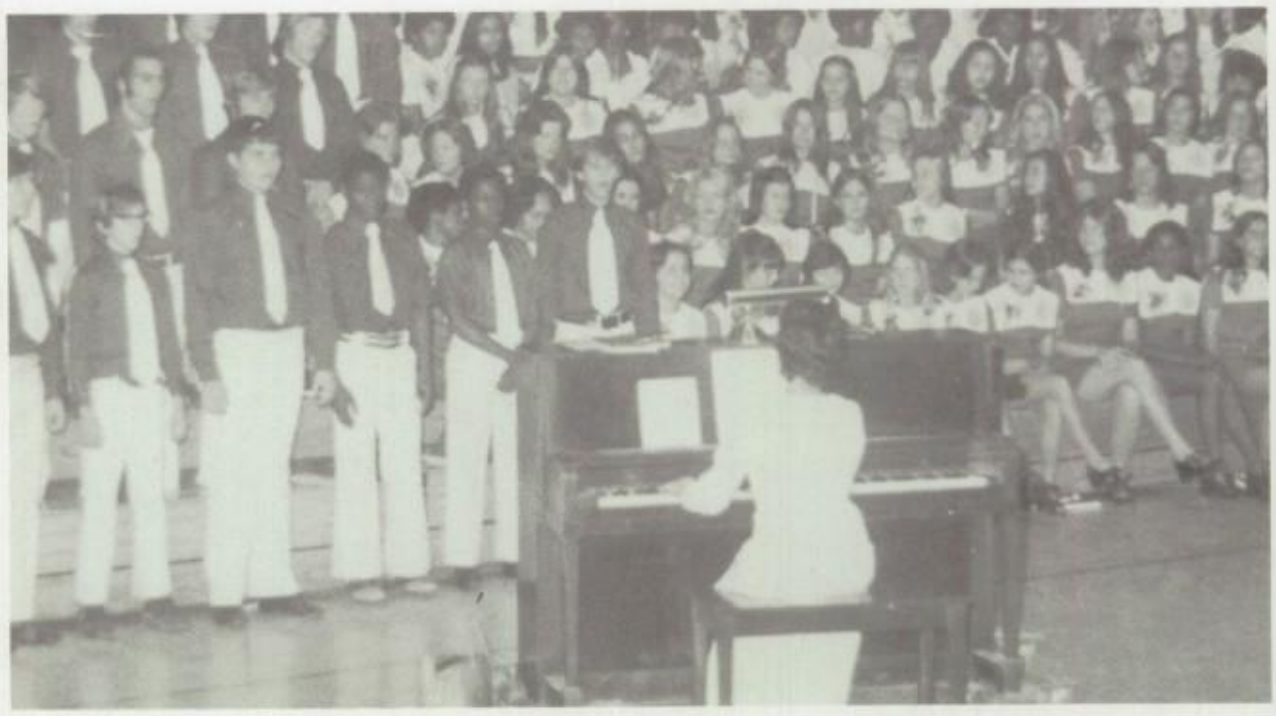
Beta Club



Another honorary service organization at M.H.S. was the Beta Club under the leadership of Mr. Don Keiffer. The Beta Club made several contributions to the school, to which were given a set of encyclopedias to the library and bought blackboards for the science department. Also the club went on its annual Easter Egg Hunt for the men at Hammond State School, and At Christmas, caroled and served refreshments to the residents of Ponchatrain Rest House. On the fun side Beta Club members attended their State Convention in Baton Rouge. For such a rewarding years, all members wish to extend their thanks to the President of the Beta Club, Jackie Fisher.

Mandeville High Chorus in

Boys Ensemble



Through the years the Mandeville Chorus has kept up an image of having the best choir in St. Tammany Parish . . . This year was no different. This year the Mandeville High Girls Chorus and Mixed Choir participated in several activities. Both choirs participated in the District competition at L.S.U. and both choirs received ratings of excellent. Ealier in the year several students participated in the District IV Solo and Ensemble Festival and many of the students received ratings of Superior and received metals for the fine performances they gave. The choir ended its season with its annual Spring Concert which was a fantastic success as always. The choir worked hard all year on all of their music and could not have been what they were this year without the guidance of their director, Mrs. Judy Baker who has given of herself and worked very hard this to make the choir a success.

The Pride of MHS

The Marching Skipper Band completed another successful year of halftimes and parades. The band this year won many honors, one being the second place trophy in the Tulane University homecoming parade. That year the band traveled with the football team to the away games and performed at all home games. Twenty-six members made the St. Tammany Parrish Honor Band, more than any other school. During the Mardi Gras season the Skipper Band marched in several of the parades held in New Orleans. These students Max Fink, Craig McDonald, and Linda Lander were selected to the LSU Golden Band from Tiger Band. To end the season the band presented its annual Spring concert. The band has truly earned the nickname "The Pride of Mandeville and St. Tammany."

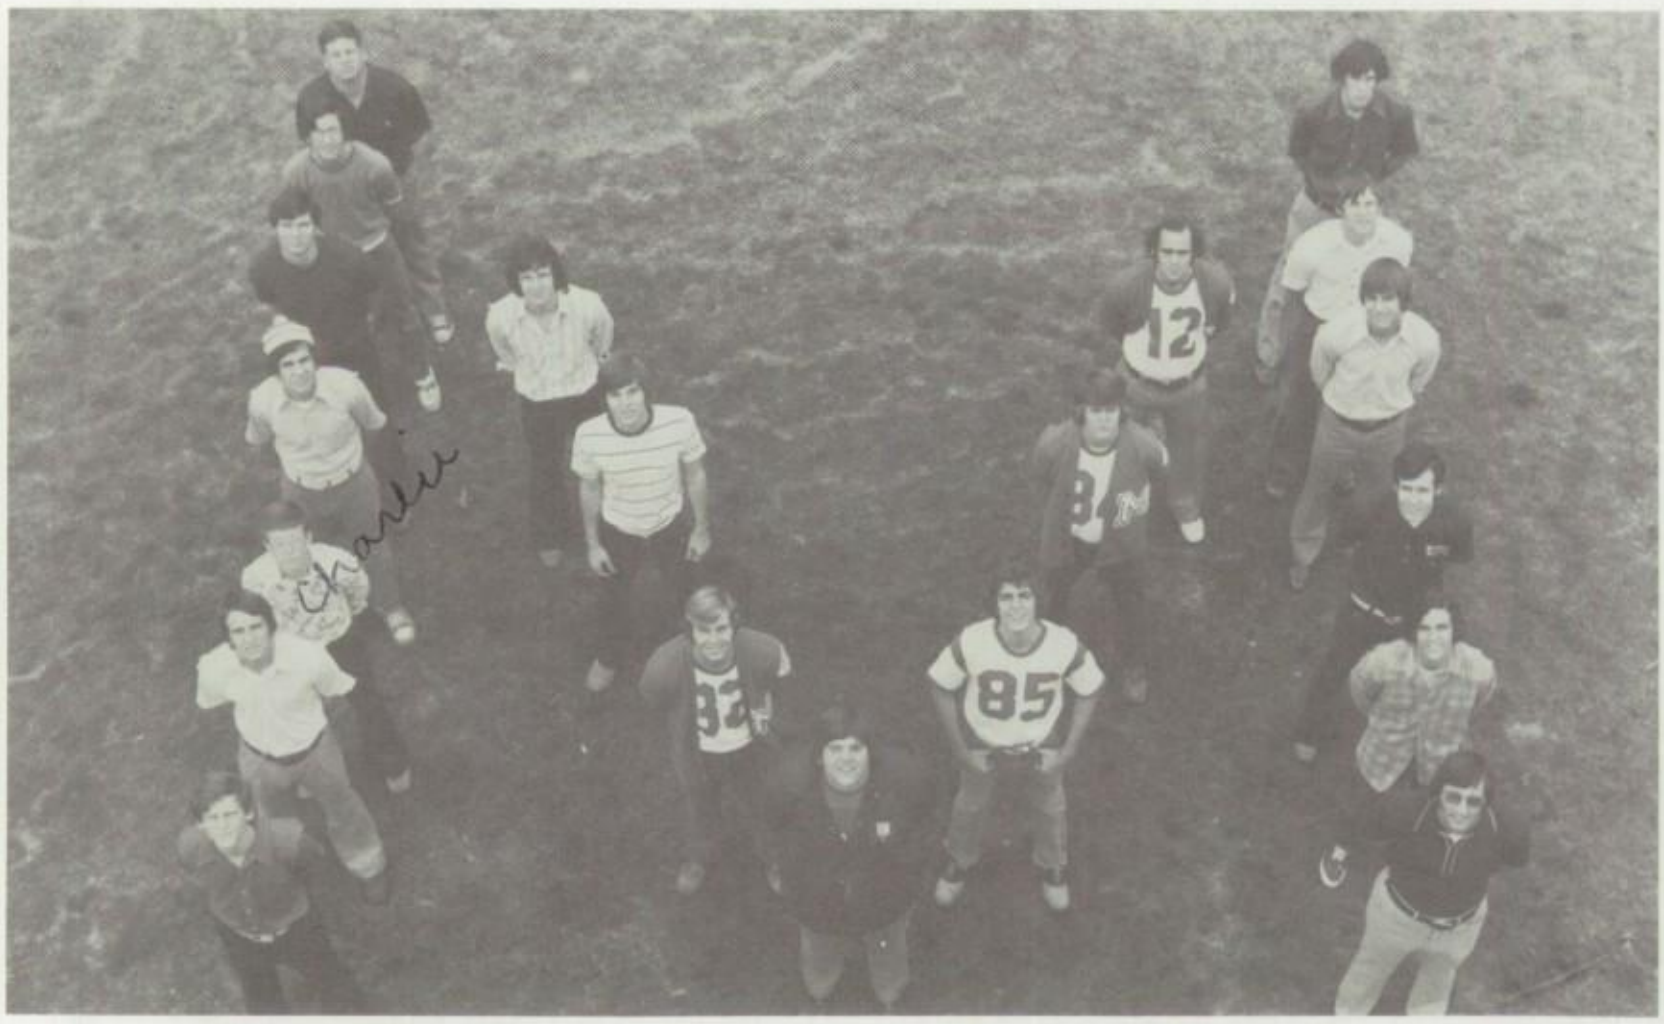
Athletes Organize to Form:

M-Club

The M-Club of MHS is a club open to all Male athletes who have lettered. They perform several services to the school throughout the year. Also, the club sponsored the second "Ronch and Roll" dance. The students were encouraged to dress in style of the fifties, and a "Ronch and Roll" queen and court were presented to the school. The M-Club is also responsible for promoting enthusiasm and spirit.

Ronch and Roll couple of the year.



Journalism and Spirit are Shown Through:

Newspaper Staff

This year the journalism class under the guidance of Mr. Cowart and Mr. Kieffer, managed to get another volume of MHS newspaper, "The Skipper's Helm" going once again. Ruth Welke was made editor of the paper, and did a fantastic job throughout the year. Toward the beginning of the year, things were a little rough, but with the help of the eager workers in the journalism class the newspaper managed and the volumes became better with one published.

Tri-Theta

The newest club to MHS was a girls' organization known as Tri-Theta. It is a service club composed of girls with a 2.5 or better scholastic average. Tri-Theta did several things to improve the community and school. Clean-up days were held where members gave their time to picking up trash around the school. Bake sales and a car wash were held in order to raise money for the Red Cross. Also, the club painted the windows in the school, and assisted during the awards banquet. Under the leadership of Mrs. Ellen Pittman and President Rachel Johnston, Tri-Theta had a very successful year.

"The Clown Prince of Wanderlust"

The first play of the season was the children's play, "The Clown Prince of Wanderlust." The cast and crew went on tour to several schools. The story centered around a princess who couldn't laugh, and the people of the town tried to make her happy. The audience was allowed to get involved by trying to make the princess laugh also. The play as a whole, was a complete success.

"Up the Down Staircase"

Spot lights were inspected by Ross Shacklet and Marie Fasterling.

The second play of the year was "Up the Down Staircase". It was a play in which a first year teacher and all her problems were acted out. The cast included several actors who had never acted before playing the main characters. It, as the first one was under the direction of Sue Elkins. A special thanks goes to her.

Students See Foreign Culture in . . .

Spanish

The main purpose of the Spanish Club is to gain a better understanding of the peoples and customs of Spain and Latin America. Dinners were held at school and in New Orleans; these dinners were great fun and the menu was distinctly Latin. A candy sale was held to raise money for gardening equipment for the school. The Spanish Club is under the direction of Mrs. Margret Abela.

The French Club showed its spirit by a year of hard work while still having fun. The first project was the refinishing of the window shades for the school's appearance. Next, was a concert given by Canadian singer, Pierre Calvé at St. Joseph's Abbey. Also, a trip to Chauvin, La. to learn of Cajun culture was taken. On the money making side, the club sold paperback books and stationery. Still another fact that the French Club is proud of is that at the district literary rally both Betsy Shoenfelt (French II) and Eddie Terrebonne (French I) placed, and then went to the state rally. The French Club is sponsored by Mrs. Ruth Grant.

Future Leaders Show Progress in . . .

Business

The Future Business Leaders of America Club is in its first year at M.H.S. The purpose is to promote interest in the field of business. The activities included a field trip to the IBM center in New Orleans. Also included were the interactivities for the school. The sponsors are Mrs. Trusty and Mrs. Fields.

This Year the FMLA has proved itself to be a working club. The club sponsored the talent show, had a car in the Homecoming Parade and sent students to Governor's Honor Band and Choral.

and Music

Field Trips are Taken by . . .

Social Service

The main activities of the Social Service Club revolved around the Fairhaven Children's Home on Lee Road. The first Saturday of every month of the 1973-74 school year, they gave a picnic or cook out for the 45 children at the home. They also gave a Halloween, Christmas, and Easter party, and collected canned foods for Thanksgiving.

The membership system of the SSC is open. It allows anyone to attend any of the activities without being a member of the club. This plan allows people to join the club of their choice, and also to help others. Their sponsor is Mrs. Joan Swago.

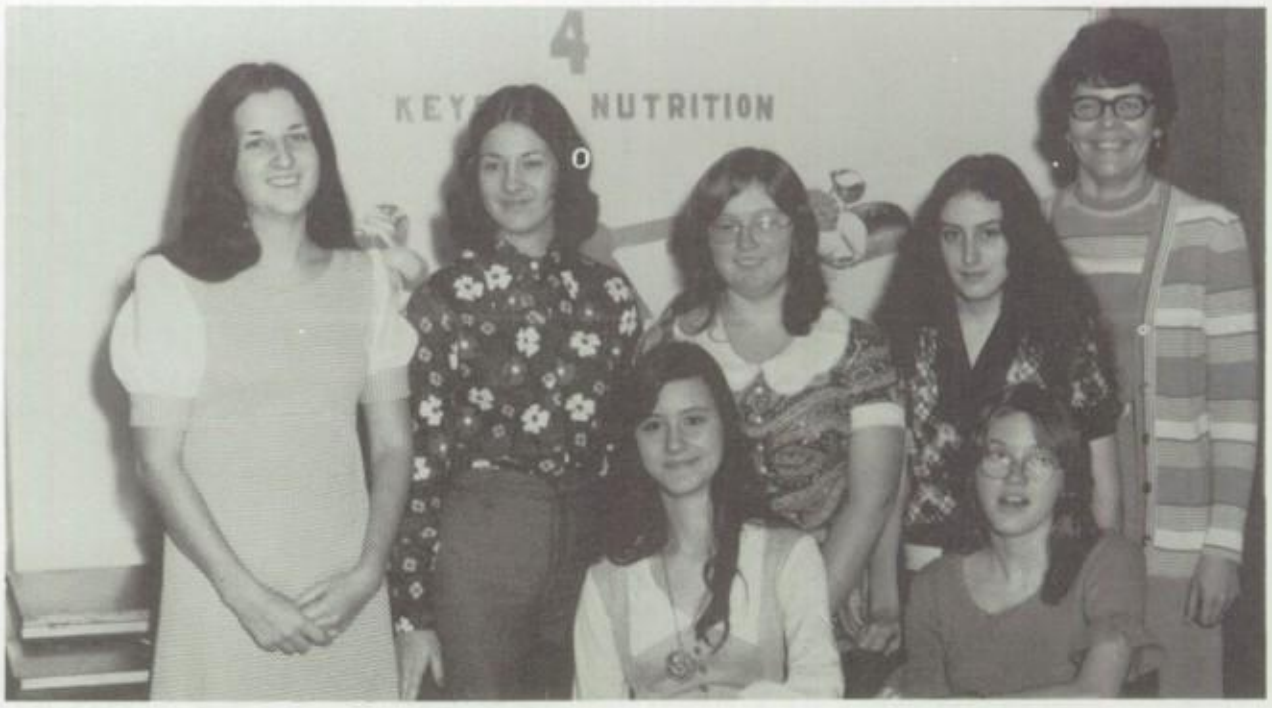
Science Club

Under the instruction of Willie Pierce and Jim Robertson, the Science Club took several field trips. The first was to Baton Rouge, La. to the Planetarium where the students observed star patterns. Another trip was taken to the Delta Primate Center in Covington, La. One great achievement for this club was that President Tim Cole placed honorable mention at the state science fair.

Future Americans Show a Need for . . .

Homemaking

The FHA led a productive year under the leadership of Mrs. Margaret Townsend and president Chari McGee. The year started by the club taking third place in the St. Tammany Parish Fair for an exhibit in arts and crafts. This was followed by a parish meeting in which they won the badge competition. Next on the agenda, was the Christmas party at Southeastern Hospital for a group of children, then the next project was a door decoration for the Valentine's Day Competition. This was succeeded by an Easter Egg Hunt at Mandeville Elementary for the kindergarten. All in all, the FHA had a year of work and enjoyment.



The FTA showed their working ability through several projects throughout the year. The one that was enjoyed most by students was the Valentine carnation sale, bringing happiness to those who received them. Also, they attended the state wide FTA convention in Baton Rouge, extending for three days.

4-H

The purpose of the 4-H is to serve MHS. They sponsored the annual 4-H Talent Show. They entered a car in the Homecoming Parade. They went to the annual Achievement Day. Their sponsor is the Honorable Lionel J. Washington.

The Art Club at MHS is under the direction of Mrs. Cambell and Mrs. McGoey. They won first place in the car competition at Homecoming. They also entered the door decoration contest on Valentine's Day. The Art Club members learn crafts and macramé. They also started the first annual Art Festival, which was a success.

Industrial Arts

The Industrial Arts Club is an association of students enrolled in Industrial Arts Education classes and its purpose is to widen and deepen the interests and knowledge of the students in the field, promote the industrial arts program in the public school and in college system. The club takes active part in the school and civic projects, one of which is presenting a fair every year to display Industrial Art projects.

The club offers many activities, as field trips, approximately one every six weeks.

Pep Squad

The 1973-74 MHS Pep Squad took an active part in this year's team spirit. With help from our sponsors, Miss Carroll and Mrs. McGoey this year has been a big success. We made new uniforms and we learned many new cheers.

The Beginning of a Year of

Skipper gang does their thing.

The initiation for the Skippers into triple-A competition was a long path of defeat and learning, starting with a road loss of 18-6 to Marksville. A second defeat, 7-0, by the Newman Greenies in Mandeville, set the stage for a 28 to zip loss to Covington.

Sophomore John Chatellier gets a Skipper gain.

Learning and Growth

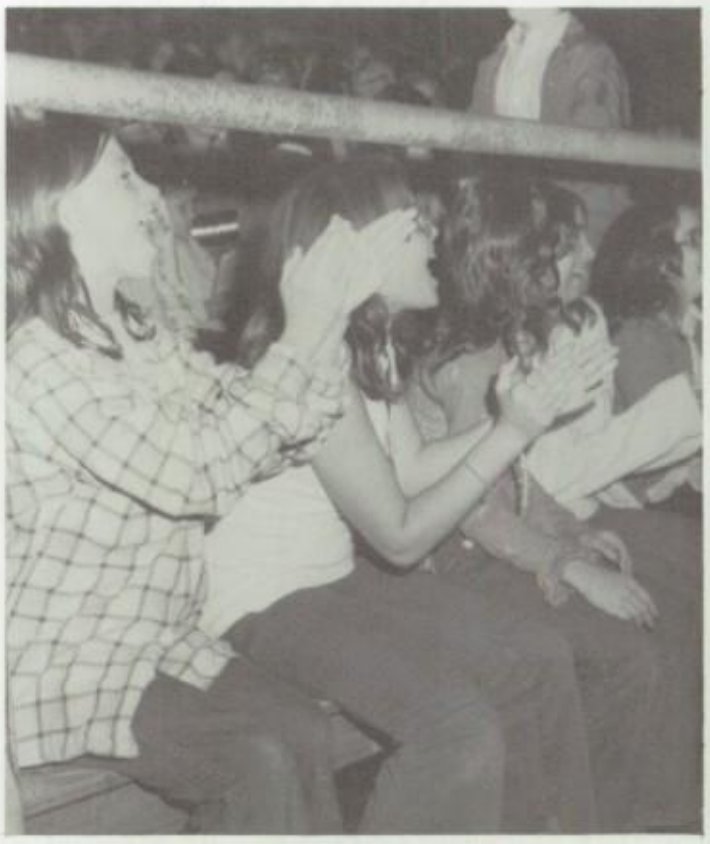
Ted Orihel makes a saving tackle.

The next opponent for the Skippers was St. Pauls. The first three quarters were completely dominated by the Wolves, but the fourth belonged to Mandeville. Mark Johnston, junior quarterback, ran the ball for Mandy's only touchdown of the game, making the final score 35-8. This loss was followed by two more: the first a 6-0 victory for the Slidell Tigers and the other a road loss to Amite, (16-0) the district champs of 8AAA.

Mark Johnston displays his defense ability.

Homecoming!!

For the Homecoming game against Loranger, the spirit was high and the team was ready. Twice the Skipper offense reached paydirt, but both times the TD's were called back on penalty infractions. Midway in the 4th quarter, Robert Soniat intercepted in the end zone and ran the ball back for a 100 yd. touchdown, a new record for Mandeville. Later that same quarter, junior Charles Batiste took a hand-off from the quarterback and ran 74 yds. setting up the second TD, making a 12-0 Skipper victory.

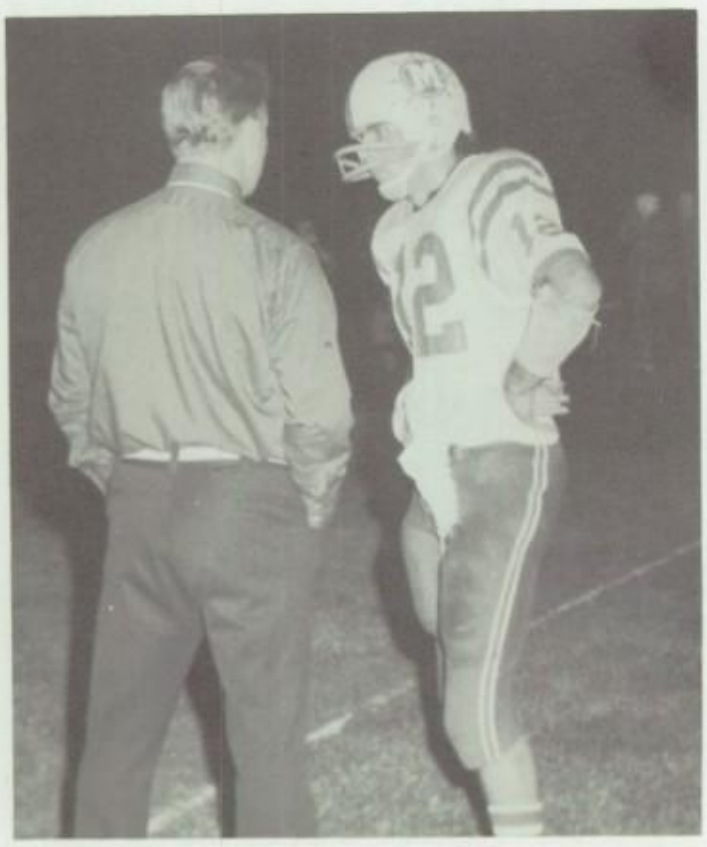


Skipper Spirit runs high.

A story all its own.

Skipper Style!!

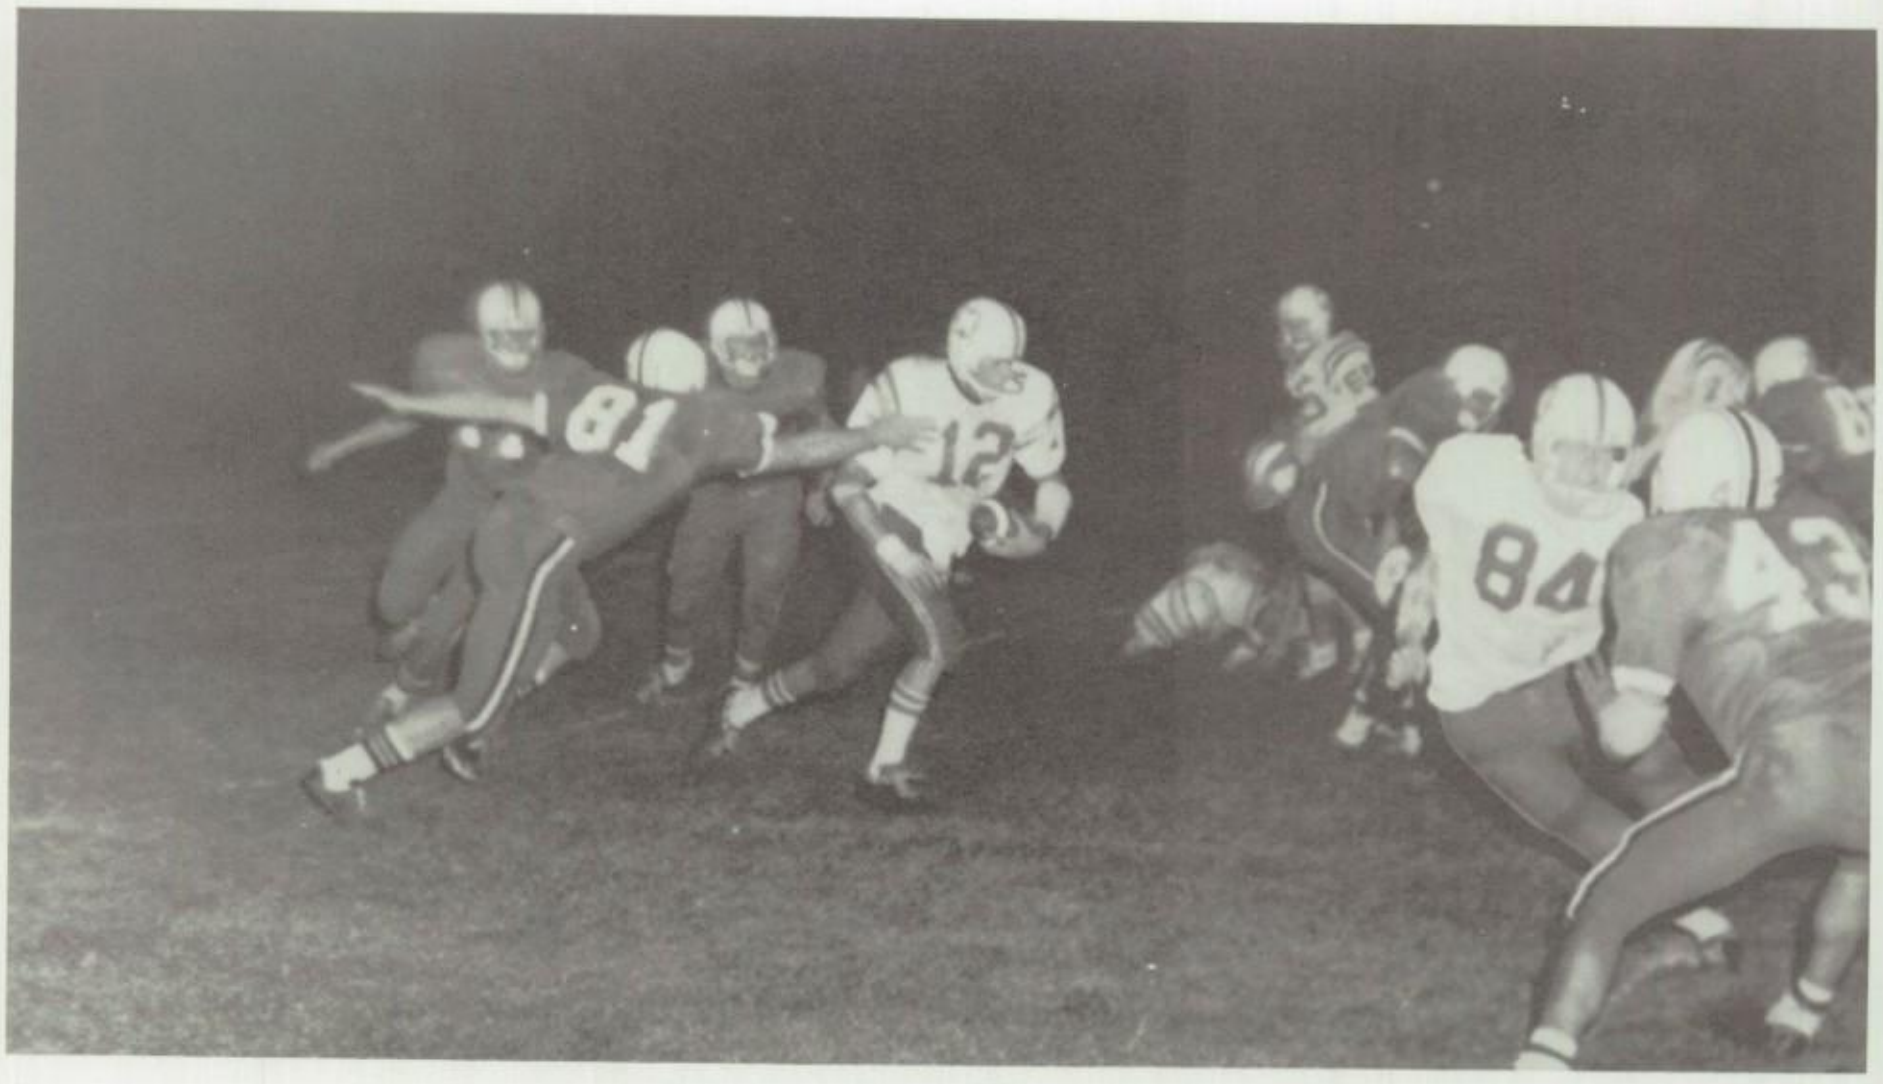
Kelly Garrison stops the opposition.



Coach Theriot and QB Johnston have consultation.

Due to the fact that Mandeville stadium was condemned, the remaining three games had to be played away. In the game against Franklinton, the Skippers put up a good fight, but suffered a 39-0 loss. The next week the team tried to come back against Salmen High, but had a 16-15 disappointment.

The End of the Beginning



Mark tries to find daylight

For the last game of the season, the Skippers traveled to take on the Pontchatoula Green Wave. With a half-time score of 7-0, Mandy was inspired to come back in the third period. But the defense couldn't hold and the Skippers finished the season with a 26-6 loss.

Fans stand in support for Skippers.

The Skippers' basketball season was marked by the spirit of optimism. The team's record can't be taken as a true indication of the desire, effort, and character shown continuously throughout the season. The factors of having only one returning letterman, a definite height disadvantage, and a lack of depth, were the reasons for the sub-par year. Although the move from AA to AAA classification was a big jump for the relatively young Skippers, the experience gained will be a future asset.

The 1973-74 Girls Varsity Basketball team began a new season with a new coach and in a new district. The Skipper Girls had a 4-9 win-loss season under the leadership of Coach David Yarborough. The Mighty Women included 4 seniors who provided both spirit and inspiration to all.

The team also started a new tradition at Mandeville High. That was the Women's Alumnae vs. Girls Varsity in an old fashioned basketball game. Needless to say, the Girls won.

Junior High Team

The Skipper Junior High basketball team showed pride and spirit in their 1974 winning season. The year started off rather slow, but picked up to finish with a 13-5 win-loss season. Also the team placed second in the St. Tammany Parish Tournament and came in third in the Parish Playoffs. Looking toward the future, the Skippers have a very promising future.

A fight to the finish

I sure hope Mama C. know what she's talking about!

The Junior High Girls had a successful season in the 73-74 year. They had the Parish Title in view at all times. They finished first in their division and second in the Parish. The team had four returning players from the previous year, one having made the All-Parish Team. This year they had two players also receiving that honor. Much improvement was seen in ability and spirit throughout the year. The girls did their best to prove "The Will To Win Can Not Be Beat! Shoot!

MHS Golf and Tennis

The Mandeville High School Tennis Team ended its season, on April 26. Several players represented Mandeville in the Regional Tennis Tournament, held at City Park in New Orleans. First and second round victories were scored in all divisions. Some of the other teams played were East Jefferson, Bonnebel, Riverdale, St. Martins, and Ponchatoula.

Jr. High Softball for Girls

This was the first year for girls Jr. High Softball, after going through quite a struggle to get it. The season started out with wet weather which canceled the first two double headers. After finally getting the Blue Goose on the road, the first games were played against Madisonville, which gave us one win and one loss. During the season, the girls played about 16 games including one with a team from Southeastern Hospital, and a group of boys.

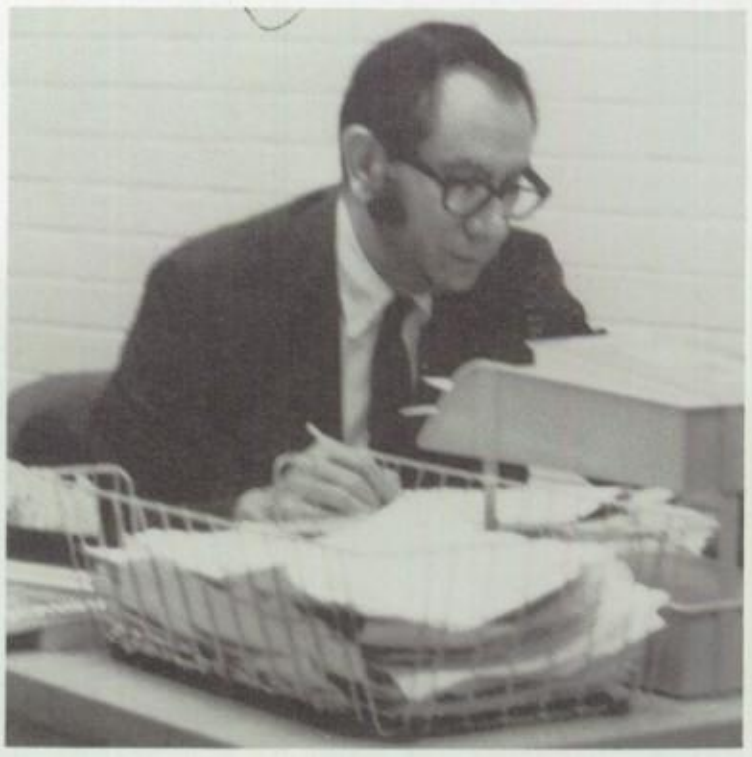
MHS Administration Works Well

Teachers and students may I have your attention for the announcements!

Mr. Huhn talks things over with students.

Our principal, Mr. Huhn, is well qualified for the job. He has his master's degree from LSU and his B.S. from Southeastern. He also helps to assist the cheerleaders in raising spirit by turning cartwheels at pep rallies, and taking part in all talent shows. Like most principals, Mr. Huhn does enforce school rules, take care of school business, and distribution of school funds.

Alone at last, Mr. Huhn reads a book.



Mr. Aceves is piled under with work.

Secretary, Aids—Lighten the load at MHS

A letter for you Mr. Huhn.

The major purpose of the secretary, and aids is to releave the burdon of Mr. Huhn and the teachers. Mrs Ritch, Mrs. Napier, and Mrs. Hammon do this very well. Some of their duties are opening mail, typing, keeping records, and maintaining audio visual equipment.

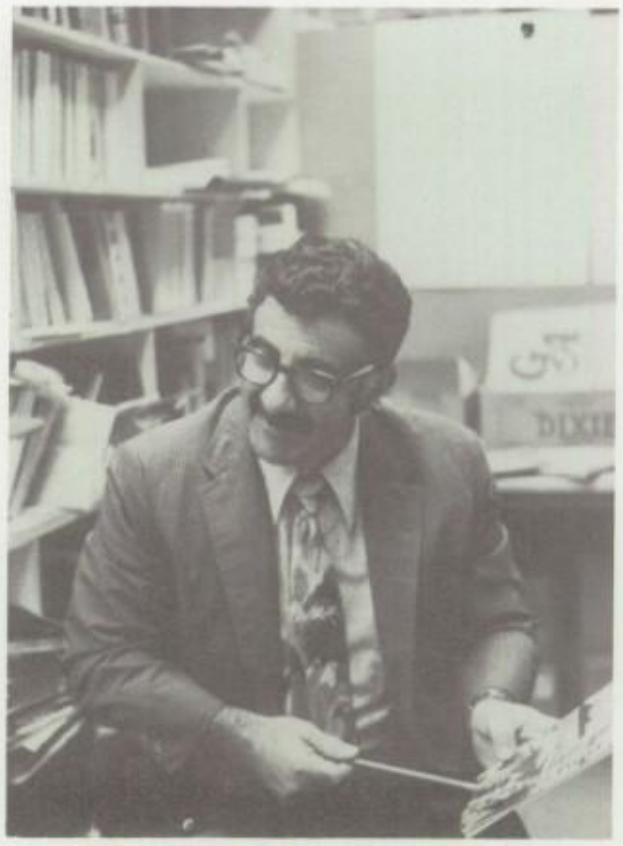
Mrs. Hammond relaxes and eats her lunch.

Mrs. Napier places her finger on a tight place.

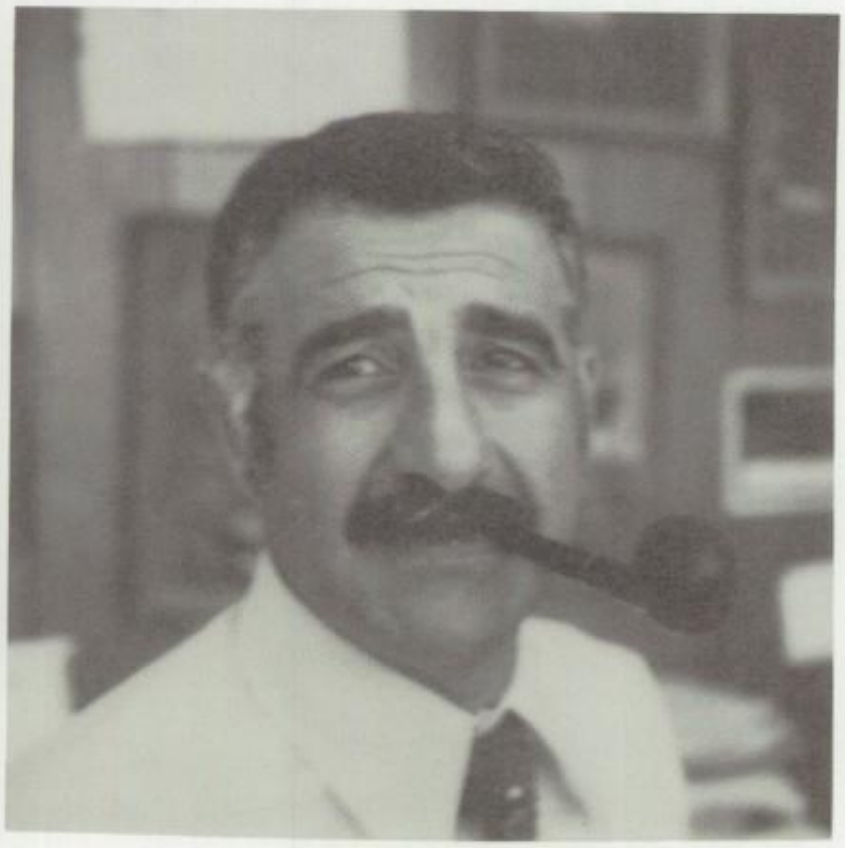
Mrs. Hammond and Mrs. Ritch collaberate on a subject.

Friends As Well As Councelors

Helping, is our business. Thats the motto of MHS' two councelors, Mr. Jim Tomm and Mrs. Bacuzzi. Students find these two people very resourceful when it comes to helping them with their problems.



Mr. Tomm helps a student with a problem.

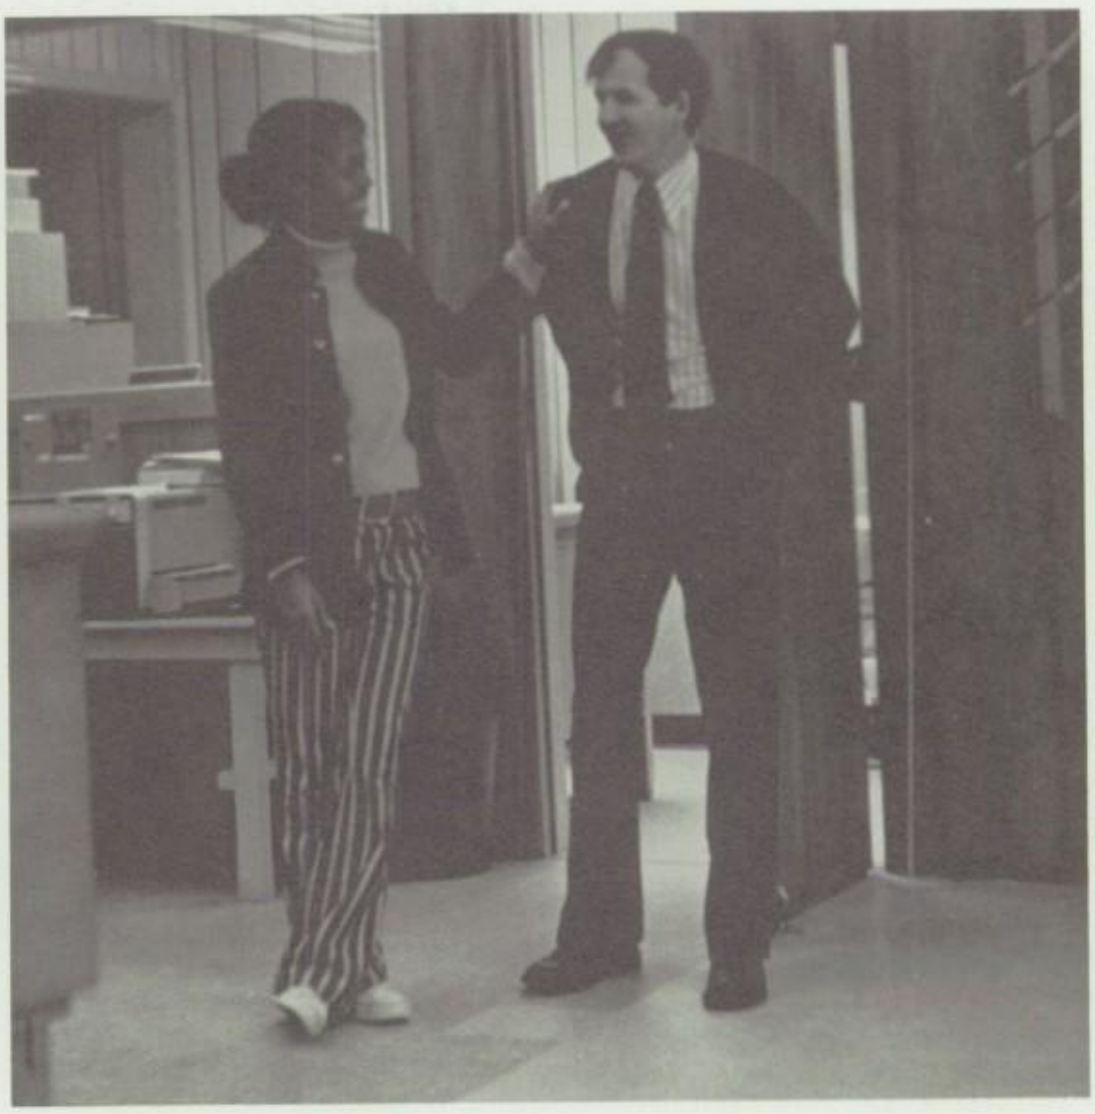


Mr. Tomm enjoys a smoke.

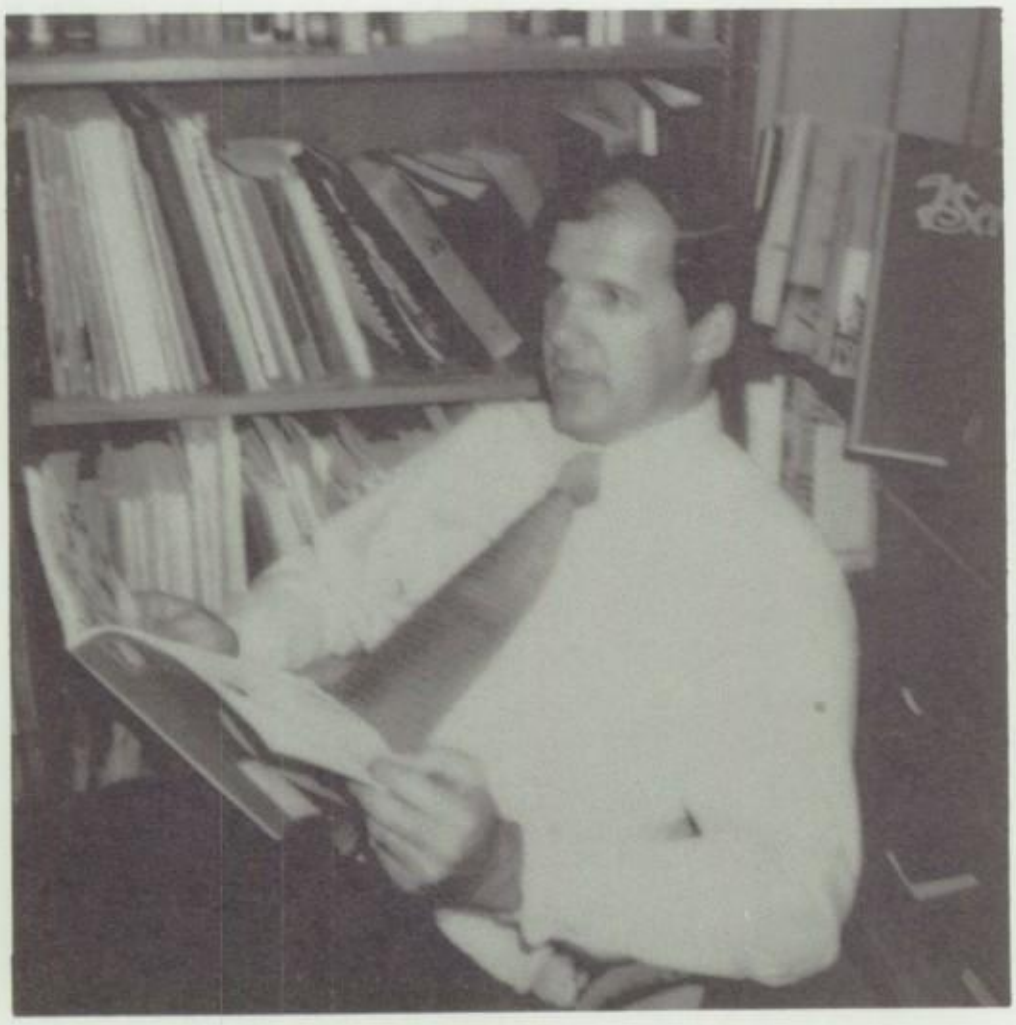
Mrs. Bacuzzi has found a friend.

The Library Grows Under Mr. Hernandez

Mmmmmmmmm . . .



"Are you kidding?"



Mr. Hernandez finds a moment of peace.

"Uncle Milty the copy machine won't work and I can't copy Byron's homework." That was a familar sound to Mr. Hernandez this year. Students find much good resource material for their homework, and find it is one of the many jobs of Mr. Hernandez. Also he aids students in such things as showing how to use the library properly, find reference material, and conducts a study hall at lunch to help the students with their homework. The students owe a debt of graditude to our librarian, Mr. Hernandez.

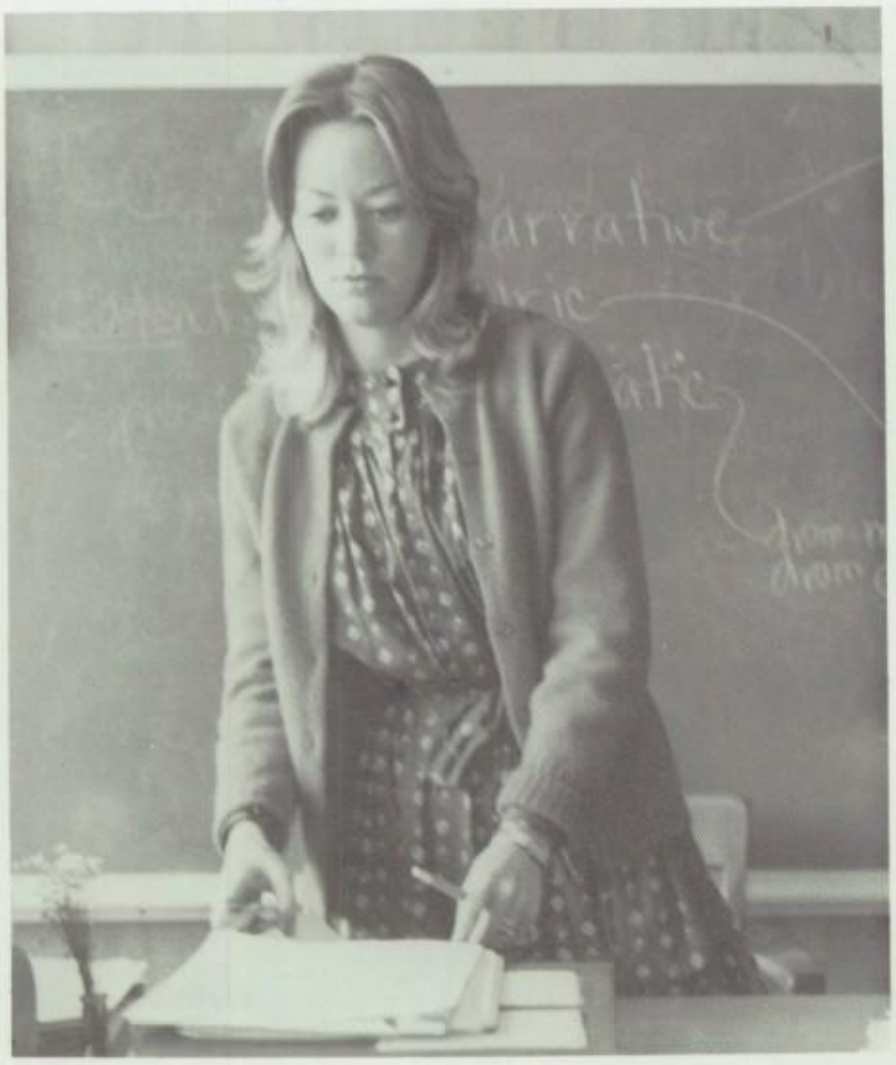
"But Mrs. Casnave I was only one second late."

Mr. Cowart looks over his class.

Mrs. Hall types another of her hard tests.

New Tri-Semester Program



Mrs. Latham gets ready to go home after a hard days teaching.

This year, the English Department took on a new look with a new program. Students had their choice of three subjects taught in tri-semesters instead of semesters. It was also non-graded. Several new teachers were added to the MHS English Faculty, Mrs. Casnave, Mr. Cowart, Mrs. Hall, and Mrs. Underwood. All in all the new program and the new teachers were a success.

Mrs. Crutchfield helps not only eighth graders.

PE Dept. Undergoes Changes

Hey, Coach Spitz, when you gettin' married? . . . But Mrs. Caston, I have to get out of wrestling. I'm a girl!!! . . . Hey ya'll, Miss Carroll goin' to do a back bend. Those were familiar sound during P.E. of the 73-74 year. For the first time in MHS history students had an individual program in which they were allowed to pick their activities for the year. Intermurial sports were conducted too. Changes were also made in personal, for MHS had a new coach Mr. Covington. Also Coach Hamilton was replaced at mid-term by Coach Joe "Spitz" Bowden.

The Industral Arts department also received a new teacher, Mr. Crowin. This year as always, students learned such things as Woods I, Auto Mechanics, and Electricity.

Mrs. Townsend is the Home Economic Classes' instructor. She shows the girls such things as dress making, food nutrition, and home and family living.

"Throw me something, Mister!"

"When I smile, run."

Coach Hamilton gets fresh with one of the boys.

"No, I don't take Mechanical Drawing."

"Look out Coach, here they come!"

Juniors Drive to Victory

One aspect of Mandeville that doesn't have a win-loss record is the series of happenings for the Junior class that turn out great. Juniors are special people. They are upper classmen, yes, but not quite at the top yet, but not on the bottom. That's what makes them special.

Your Junior year is usually the hardest but this year's class of "75" proved they were true Skippers and plowed right through it. Through Mr. Pierce's Chem Study, Mrs. Terrebonne's Algebra II, Miss Carroll's Health and Coach Covinton's crazie Drug Abuse, and last, trying to act mature in Mrs. Hall's English class.

School life wasn't the only thing that showed Junior ability. They won the float competition for the second year in a row. A rush job that turned out to be a big Junior success was the Fashion Show that was hard work but fun. The candy sale proved to be a great money making project for Prom.

What was junior life like? Robert Soniat and Bruce Williams "streaking" in the play, laughter, joy, crying, Fred Gregg laughing, work, prom, Richie waiting for Kathy, Charles Batiste and his soul clothes, Lauren Reed alis-"motor-mouth", and--------SPIRIT!

The class of "75" has planted a firm footing in M.H.S. and with dedication, leadership, and ability they will carry out as they have always------- "the Skippers tradition in being Number I!!"

Onward to Victory!

The Junior class officers for the 1973-74 school year were President, Craig MacEachern, Sgt. of Arms, Tim Shea, Secretary, Laurie Hall, Vice President, Harry Patin, Treasurer, Ita Shea, Sgt. of Arms, Mark Johnston.

Sophomores Show Leadership

The class of '76 went through their sophomore year with great pride. The class began it's year with a very successful car wash and bake sale in the summer. Sophomores showed their Skipper Pride by winning the spirit stick several times and showed spirit by supporting their team at football games. Sophomore girls made signs for J. V. players houses and decorated the dressing room before a big game. Their spirit carried on and showed full support through basketball season. The class had several money making ideas that worked out great. They had a bake sale at lunch, sold candles, and also had a dance after the Blue and White game, making them one of the richest classes at M. H. S.

Class Officers are Cindy Epp, Secretary; Phyllis Fink, President; Karen Dean, Treasurer; Michelle McDonald, Class Reporter; Cathy Keefe, Vice President.

Freshmen Participate

The freshmen really had spirit this year! They covered M.H.S. with spirit signs, and their cheering was heard throughout the school. They won the spirit stick five times. The Freshman class also made a float titled, "Skippers Eat Wolfmeat" for Homecoming. They survived initiation which produced laughs for everyone. They had a bake sale, sold Christman trees, and had a combination bake sale/car wash in March. Four Freshmen played in the donkey basketball game and helped lead the Underclassmen to victory. Freshmen were also very active in Jr. High basketball, volleyball, and J.V. and Varsity football. The Jr. High Girls basketball team placed second in the parish and the Jr. High Boys placed third in the parish. Three freshmen acted in the "Crown Prince of Wanderlust". Freshmen were also very active in many club functions.

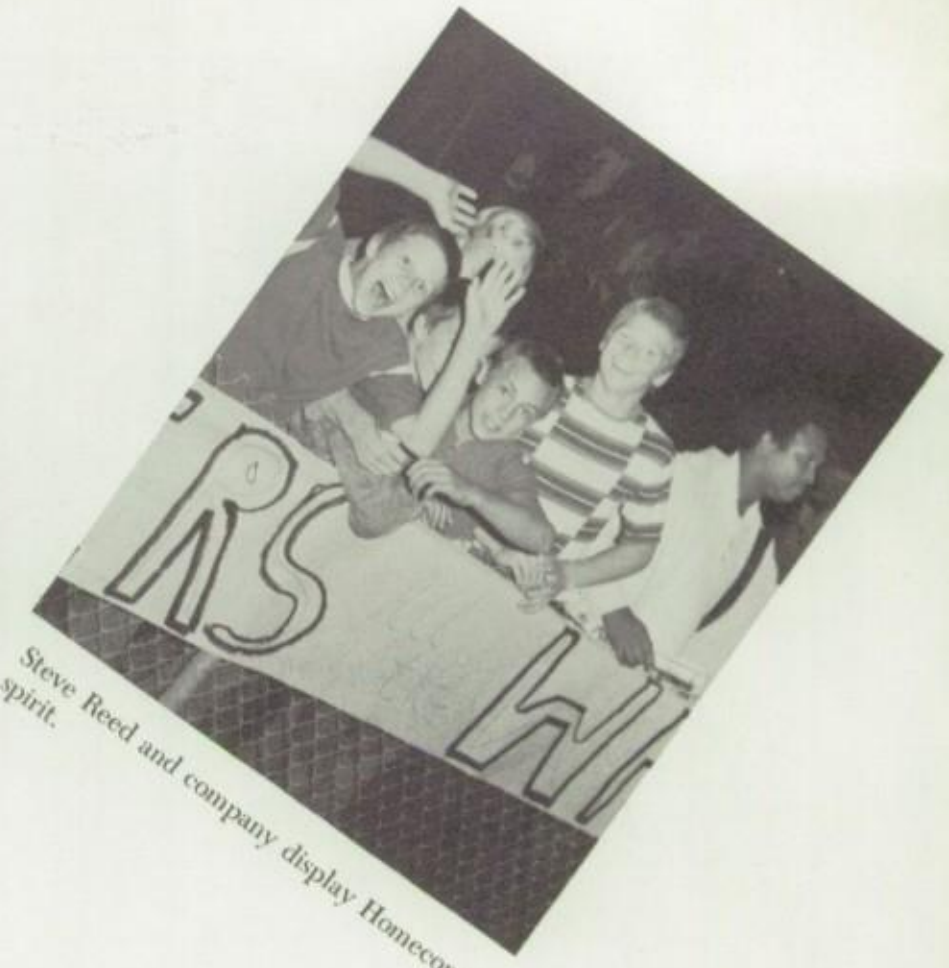
What do you mean, show you my knee!!!



Steve Reed and company display Homecoming spirit.

The tilted world of the 8th grade? Well, maybe not tilted, but different. Different in that this class came to M.H.S. with a purpose. That was to prove that they could supply their share of the spirit, and earn a place at Mandeville having the right to be called Skippers. This was done in several ways. Twice this class won the spirit stick and during the football seasons they held their own pep rallies. Eighth grade enthusiasm didn't stop with football but extended into basketball with signs and game attendance. If this spirit is kept up, the class of '78 will be the best ever at M.H.S.

"Your task - to build a better world,"
God said. I answered, "How?
The world is such a large place,
So complicated now;
And I so small and useless am
There's nothing I could do."
But God in all his wisdom said,
"Just build a better you."

Annual Staff Swings Into The Picture

Well it was a tough year but we finally made it! The Annual staff this year worked very hard to make this years annual a tremendous success. Everyone this year who worked on the staff dedicated themselves totally in all the work involved. We sincerely hope you enjoy the annual we've put out and we want to extend a very special "Thank you" to Mrs. Boesch, she took a tremendous responsibility upon herself when she agreed to be our sponsor, and we could not have made the annual the success it is this year without her help.

"Lets have a cola and fries."

I've really enjoyed our last
four years together & I hope the
next two are just as great. If
you keep up the spirit of '76, I
know they will be. You're a
sweet girl & a good friend. Hop
luck in the future & with the
boys!

Cassy,
I hope you never forget this year. It was a good year, I think. I wish you the best in the future. This coming year is going to be a good time. I have a feeling it's going to be a terrific year. Have a great parade. Be careful!
Karen!

Cassandra,
Even though you thought you had another year in high school, I'm sure your senior year will be a good one. But it won't be as good as the year

Cussy,
It has been
great knowing you
for such a long time.
I am glad you made the
flag team, maybe you will make
some color to it. I wish you the
best of luck this school year and
keep up the good spirit for your class.

Cassandra,
It's nearly been
having you on the flag / cheerlead
team. You're always
to be with. You and Jim
you a lot. Stay
flag team and
help keep it as
fun. Be good and you'll make
stay as good 7 always
as you are.
